

Confirmation Saint Paper

Everyone needs to write a paper on the saint they are choosing for Confirmation

1. The paper should be at least 1 page, typed.
2. The paper should include the following items:

- Some history of the Saint's life—when & where they lived, what type of work they did, etc
- What qualities or characteristics made them worthy of being a Saint
- What they are the patron of
- Other interesting facts
- How you identify with the Saint; Why did you choose them?

Here are some ideas when trying to choose your Confirmation Saint:

- * Saint who shares your Baptismal name
- * Feast day is celebrated on your birthday
- * They are patron of something you are interested in (music, internet, travel, art, etc), a profession you want to have someday (lawyer, teacher, doctor, etc) or a health issue you deal with (headaches, heart ailments, epilepsy, etc)
- * Someone whose life and/or attributes you admire or wish to be like

The paper is due December 9 — last Confirmation class of 2007 — or you can email it sooner to cbauer@stjosephchurchc.org
Be sure to put *saint's paper* as the Subject or it might get erased!
